Not to doom, but today is the day you figure out that Pence has been a traitor all along after he counts the votes for Biden. This is also the day you figure out that you can exempt yourself from paying taxes on your W4 just put in 99 exemptions. Starve the bastards of their money.

The government will never receive another cent from me, if they are going to act like this. They have become the enemy, to the point that it is undeniable.

If they overthrow Trump, then it's WAR.

“ 20 man guerilla campaign

Agreed. It needs to be a true COIN operation. Civilian and Military assets working together, on a massive scale.

The military is almost completely on our side except for a few cucked generals that can be easily removed...and Afghanistan has proven that 20 man guerrilla groups are actually very effective (hence the reason we are still there).
